WHAT ELSE DO YOU NEED TO KNOW??

- It is expected that everything will be left clean and tidy and as you found it upon arrival. This is inclusive of sweeping floor in foyer area, wiping down kitchenette area if it is used and all rubbish being disposed of in the bin provided.
- 1.5 hours is the total time for the actual party. We usually recommend 15mins before and after your party for set up and clean up - if you require more time than this prior to your party to set up please let us know. We often have more than one party on the same day, so if you could leave within 15 mins of your party finishing this would be greatly appreciated.
- Please ensure ALL children ONLY eat & drink in the foyer; We try and encourage the children to remain inside the main room while all the party games are happening as there is the designated food break halfway through the party.
- A **non refundable deposit of \$50 & \$100 bond** will need to be paid approx 4 weeks prior to your party date to secure your booking. This will be taken off the balance due for your party as long as everything is left clean and tidy, and there is no damage to the premises etc.
