

YCD CHEERLEADING TRYOUT/EVALUATION DAY'S 2018 & 2019

2019 Season is just a blink away. We are excited to have Erick back again next year for another season. He has loved his time with our YCD family & is keen to continue working with our students, our staff, and assisting us as we continue taking our program to the next level! His extensive knowledge & expertise has already made a huge difference in how we run our classes & we are thrilled to have him back in 2019!

PLANNING AHEAD FOR NEXT YEAR WILL BEGIN WITH CHEER EVALUATIONS

Prior to Erick leaving us to go home mid December for some important U.S.A judging commitments and family time, we will be holding 'YCD CHEER TRYOUT/EVALUATIONS'. This will assist greatly with our timetabling & our team selections for 2019 and see our students accurately placed in teams based on their skills.

We will hold a second evaluation day at the end of January. (Date to be confirmed)

- 1) For anyone new to our program,
- 2) For anyone that cannot attend our December evaluations
- 3) For anyone that would like to be re-evaluated if their skills have progressed between evaluation days!

We STRONGLY encourage all to attend in December. We have big plans for next year & correct team placement is absolutely vital. Please note that no-one will be placed on a team without being assessed. If this requires a video to be sent to Erick when he returns to the U.S. and/or setting up a one on one evaluation – this can also be accommodated! Teams will be planned out from those that attend the December tryout/evaluation day. If you plan to attend the second date in January we will be placing people on squads where places are needed. If a team is already filled up to its potential from the December date, no other athletes will be added to those specific squads. If you cannot attend our December dates, please still send in the attached form indicating you would like to be assessed for a team placement but can't attend first round evaluations.

Please understand that there are certain positions that will be available on each team - with team majorities and level appropriate skill requirements in mind. Students will be placed fairly based on their current strengths, experience, potential and need for a position on each team. We will have set criteria for each level team & this will be adhered to for the fairness & safety of each student, as well as ensuring each team has the best potential to compete most successfully in 2019.

Team placements will be announced before Christmas, or at the time of enrolment information release & timetable for 2019.

**Our YCD CHEER TRYOUT/EVALUATION DAY'S are open to anyone, not just YCD students!!!
Feel free to spread the word to anyone that would like to be assessed & placed on a
YCD 2019 competition team.**

TRYOUT/EVALUATION DAY

Current YCD students must wear their full training uniform, are encouraged to wear a cheer bow & hair must be tied up and off faces for Cheer Evaluation's. Students will be assessed in the following areas on evaluation days: Running tumbling skills, Standing tumbling skills, jumps & a Dance.
*dance will be taught the day of evaluations.

AGES 7-11yrs

*current age as of day of tryouts unless other wise told

DATE: Sunday December 9th

TIME: 10:00am – 12:00pm

COST: \$5.00 per student

AGES 12yrs +

*current age as of day of tryouts unless other wise told

DATE: Sunday December 9th

TIME: 1:00pm – 3:00pm

COST: \$5.00 per student.

Students under 7 years can still be on a squad. They will not need to tryout and/or be evaluated. We will be releasing more information to come on next steps for this age group. Know that the majority of student under the age of 7 will be placed on a Novice team, unless they show exceptional aptitude in their current classes.

TUMBLING IN 2019

AT ENROLMENT DAYS In 2019 we will be having scheduled tumbling assessments, prior to classes starting in Feb. This will ensure all students are placed in exactly the right tumbling class. This will make a big difference to our tumbling program, allowing students to work with others at their level - drills & class content can then be tailored specifically to each student's needs. Miss Kylie has done an amazing job with our tumblers this year & is keen to streamline our program even more (with Erick's guidance) to see our students move up the levels.

Our absolute aim for our tumblers is to focus on excellent technique with safe progressions at each students pace. Miss Kylie may also be available during the Xmas school holidays for tumbling privates/small groups for students that want to continue training & work on their skills leading up to the 2nd cheer evaluation day. Tumbling as we know is a huge aspect of a solid cheer routine & will continue to be a big focus for whole team majorities in Cheer

If you have any questions please don't hesitate in asking! We hope to have your continued support as we head toward the New Year. We have worked very hard this year to get things ship shape, will continue to do so and believe we are absolutely headed in the right direction with our 2019 programs!
